### First Announcement

2006 Great Basin/  
Northern Rockies Fire  
Prevention Workshop:

**“UNITED WE  
STAND”  
INTERDEPENDENT  
COMMUNITY-BASED FIRE  
PREVENTION**

Who Should Attend:

- **Fire Prevention/  
Mitigation Specialists**
- **Fire Departments**
- **Wildland Urban Interface  
Coordinators**
- **Fuels Planners**
- **Federal, State, and Local  
Fire Officials**

MAY 2 -4, 2006  
MOAB, UTAH

## Program Highlights:

- **Crisis Management** - lessons learned from Hurricane's Katrina and Rita - how to work with community leaders and others during a disaster.
- 
- **Fostering Community Involvement** - understanding and motivating influential community leaders in fuel-reduction and prevention projects.
- 
- **Creative and Persuasive Communication Techniques** - how the Ad Council does it and more
- 
- **Developing and Maintaining Effective Community Relationships Among Federal, State, and Private partners** - what each want, how to reach them, and how to keep working across boundaries
- 
- **Colorado River Float Field Trip** - while floating down the river, we'll not only see gorgeous scenery and ancient petroglyphs but learn about fire prevention issues along the river.
- 

**(Don't forget your camera!)**

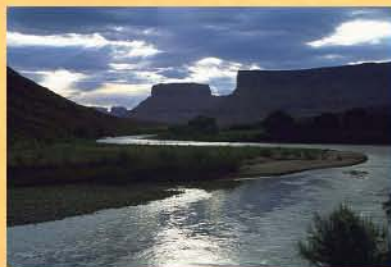

## Make Your Hotel Reservations today!

**Moab Valley Inn**

**(800) 831-6622**

**moabvalleyinn.com**

[government rates apply - just say you are with the Fire Prevention Workshop group]

Expect the weather in May to be in mid to lower 80's during the day and in the 50's at night.

**Registration Fee: \$75.00**

**For More Information and registration form go to: [UtahFireInfo.gov](http://UtahFireInfo.gov)**
